**Important Notes**

- We offer English, Arabic and Ottoman Turkish language classes to all of our students.
- We offer a range of core electives that will enrich education and help our students specialize.
To educate virtuous and distinguished leaders who embrace the values of our civilization, generate knowledge, serve humanity and shape the future.

To become one of Turkey’s top seven research universities which stands out with its academic and physical infrastructure, highly-preferred graduates, and the publications regarded as main source of reference.

Our Values
- Scientific Excellence
- Genuineness
- Sustainable Development
- Excellence
- Inventiveness and Innovativeness
- Human and Student Centred Approach
- To Be Assertive
- Freedom
- Loyalty to Our Core Values
- Respect and Tolerance for Thought
- Adding Value to Our Society and Humanity
